FLOSSIE

Junior product designer

Hi, my name is Flossie Declosmenil but everyone calls me Sassie.
I love to organize, put things in order, keep everything clear and simple.
I want to put glitters and colors in the world to make people happier.
I can't wait to meet you ! :)

(Fun Facts : at my place, I have boxes for everythings and I only wear glitters socks).

🎂 25 yo
